

ABOUT US

Lightning Broadband is 100% Australian-owned and locally-based, with over 10 years' experience in providing superior internet connections.

INFORMATION ABOUT THE SERVICE

Description of the Service

Lightning Broadband VoIP service allows you to make cheap phone calls over your Lightning Broadband internet connection.

VoIP is internet telephony and availability and quality of which may differ from a standard telephone. A waiver of the Customer Service Guarantee is required for all Lightning Broadband VoIP Services.

Service Availability

The Lightning Broadband VoIP service is generally available only in conjunction with an approved and active Lightning Broadband internet plan (residential, business or commercial) and is not provided as a standalone service, as well as a fixed IP address and active power supply.

You will need to provide your own VoIP enabled modem and phone handset to be able to access this service. If your modem is not VoIP enabled, we can recommend and/or may provide a suitable modem at an additional cost or alternatively you may be able to purchase a suitable VoIP adapter (ATA) to use with your existing modem.

Minimum Term

No minimum term applies for the Lightning Broadband VoIP Service. However, the Lightning Broadband internet plan that is purchased in conjunction with the VoIP Service may have a minimum term.

Your Data Allowance

Lightning Broadband Business plans on a 1 month contract comes with **unlimited data**.

Got Specific Requirements?

Don't worry we can customise a Lightning Broadband VoIP plan to meet your needs, including:

- o porting your existing phone number(s) across
- o establishing a 13, 1300 or 1800 service
- o establishing complex business/commercial virtual PABX

Call us to discuss any specific requirements you have!

Lightning Broadband

Other Fees and Charges

In accordance with our Terms and Conditions Other Charges may apply for services such as Plan Downgrades, Handling Fees, Printed Invoices, Incorrect Call-Out Fee, Service Reconnection Fee, Payment Declined Fee, Hardware Replacement Fee. Refer to the Lightning Broadband Terms and Conditions – Appendix A Pricing Schedule available at: www.lightningbroadband.com.au/terms/.

Porting

You can port a standard local landline service phone number to Lightning Broadband. Additional terms and some fees may apply.

OTHER INFORMATION**Customer Service Guarantee Waiver**

The Commonwealth Telecommunications (Customer Service Guarantee) Standard 2000 (CSG) sets out minimum levels of service that a provider must meet in respect of connecting a service, repairing a fault or service difficulty, and attending appointments with customers. It also applies to call features such as call waiting, call forwarding, call barring, calling number display and calling number display blocking.

Lightning Broadband is committed to providing exceptional quality and affordable broadband and telephony services with outstanding customer service.

However, we can only provide these VoIP plans at a significantly reduced cost in comparison to a normal telephone service over the switched telephone network, on the basis that Customers waive the requirement to meet the performance standards required under and in respect of the CSG.

Further details and an explanation regarding the CSG can be found at the Australian Communication and Media Authority's website (www.acma.gov.au).

Payment

Payment is strictly by credit card or bank transfer. Visa, MasterCard and AMEX have no surcharge.

GST

All stated dollar values are inclusive of GST unless stated otherwise.
